

Kritika Baghel

REACTJS FRONT END DEVELOPER

+91-9810617895 · kritikabaghel.30@gmail.com · <https://kritika-baghel.netlify.app/> · [LinkedIn](#). Delhi

Ambitious and detail-oriented Front-End Developer with a passion for creating visually appealing, user-centric web applications. Experienced in ReactJS and Python, I build responsive interfaces aligned with modern design principles. Currently expanding skills in full-stack development (MERN stack) and advanced JavaScript, with a solid foundation in data structures and algorithms (DSA). Proven ability to implement secure, scalable solutions and collaborate effectively within cross-functional teams. Known for a keen eye for design, strong problem-solving abilities, and a commitment to continuous learning, I blend technical expertise with creativity to deliver exceptional user experiences.

SKILLS

- HTML5
- CSS
- JavaScript
- Tailwind CSS
- React JS
- Python
- Front end development
- Figma
- Data structures and algorithm
- Web Designing
- GitHub

PROFESSIONAL EXPERIENCE

Tech Mahindra (Makers Lab)

15-04-2025 - Present

Intern/Trainee

- Learned about fine-tuning AI models and their practical applications.
- Integrated design with functionality to build a responsive, user-friendly interface aligned with project goals and quality standards.

Lending Buddha

06-06-2024 - 06-08-2024

Front End Developer Intern

- Worked on industry projects to ensure clients received excellent end products. Collaborated with cross-functional teams to drive efficient processes and leveraged innovative technologies for optimal results.
- Developed web applications using React JS and integrated frontend components to enhance user experience.

GPCSSI-2024 | Gurugram Cyber Cell

02-06-2024 - 02-07-2024

GPCSSI Intern

- Took part in a CTF. Guided team to overcome varied challenges. Worked together to navigate different levels using everyone's skills to solve puzzles.
- Met industry experts, tackled projects, made creative tech solutions, collaborated with teams for good results.

ShadowFox

01-04-2024 - 01-05-2024

Cyber Security Intern

- Coordinate cybersecurity initiatives, such as network penetration testing that find computer system vulnerabilities by breaking in and examining security measures and encrypted communication channels.

EDUCATION

B.TECH Computer Science Engineering

Manav Rachna University, Faridabad

2021-2025

Secondary Education School

Bharat Mata Saraswati Bal Mandir, Narela, Delhi

2021

CERTIFICATIONS

- The Complete Python Bootcamp from Zero to hero - Udemy
- The Complete 2024 Web Development Bootcamp - Udemy
- Programming with Python - Internshala
- Cyber Security Certifications - Cisco

PROJECTS

University Web application | ReactJS

- LearnNest is an educational web app that provides detailed information about various programs, features a gallery of campus photos, showcases student testimonials, and includes a contact section for inquiries. The app is designed with a responsive layout to ensure a seamless user experience across all devices and is built using React.js, and hosted on Netlify.
- [GitHub](#) | [Live Server](#)

Sip Savvy Cafe Web-app | ReactJS

- Developed a responsive web application for Sip Savvy Cafe that showcases the cafe's menu and specials. Features include dynamic content updates for breakfast options, intuitive navigation, and a modern design for an engaging user experience. The site is optimized for performance and accessibility across devices.
- **Technologies Used:** HTML, CSS, JavaScript, React.js, Netlify.
- **GitHub | Liver Server**
